Arkitekt

If you dream of a minimal and contemporary all white bathroom with a point of difference then our Arkitekt collection may be the one for you.

This matt ceramic collection has serious appeal with its plain base tile complete with subtle lustre effect complimented perfectly by the striking Arkitekt Décor tile which has a geometric textured finish. Pair this with one of our wood effect tiles on the floor for a Scandi look or go bold with our Kaleidoscope collection for a monochrome finish.

Available in: 595x295 White and White Décor.

Arena

Inspired by traditional stones found in ancient Rome comes our Arena collection.

Available in Light and Cement this stone effect ceramic tile gives all the spa like feels. Pair with the matching Arena textured décor tile for that extra level of sophistication and complete the look with the matching porcelain floor tile for a seamless and cohesive aesthetic.

Available in: 600x300 Cement and Cement Décor, Light and Light Décor. 600x600 Cement and Light.

Artist

Our Artist range is something else with a beautiful, almost handmade gloss finish.

We love how the Artist range bridges the gap between traditional and contemporary and we think this would be equally striking tiled in a kitchen as it would in a bathroom.

Available in: 200 x 65 Aqua, Moss Green, Rose Mallow and White.

200x65 Artist Aqua

Ascot

Create a contemporary and cosmopolitan bathroom with our Ascot collection.

With an industrial cement inspired surface and a complementary diamond-shaped decoration tile, the Ascot collection stands head and shoulders above the run of the mill cement look tiles creating a sophisticated collection.

Available in three colourways: moon, pearl, and shadow and with a matching porcelain floor tile too this may just be one of the easiest home renovation decisions you've made so far.

Available in: 595x295 Pearl and Pearl Décor, Moon and Moon Décor and Shadow and Shadow Décor. 595x 595 Moon, Pearl and Shadow.

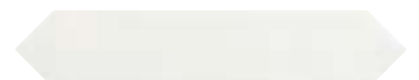

Archer

Go against the grain with our Archer tiles.

This striking shaped tile will make you look again with its endless tiling possibilities in your bathroom, kitchen or living space.

Breccia

Our Breccia Viola porcelain tile is a unique, large format tile with the look and feel of Italian marble.

It'll transform your living space into a classic, elegant atmosphere without requiring the same upkeep and maintenance as real stone. With beige and subtle purple veining, it will add depth and warmth to any kitchen, bathroom, or living area.

As chosen by the house that black built for her latest renovation.

Banbury

Have guests guessing whether you've laid a traditional stone floor or not with our, we can't believe it isn't stone, Banbury.

With beautiful movement mimicking traditional stone, a cool white to grey colour palette and it's large format 80x80 size this contemporary porcelain tile will look striking in everywhere from your bathroom to your kitchen dining space without any of the maintenance worries of traditional stone.

Available in: 800x800 Grey.

Taking inspiration from traditional North African ceramics comes our Cabrera collection.

We love how this collection has beautiful eye-catching patterns that will ground any home decoration scheme. By their very nature these decorative tiles with a charming hand-crafted appearance will give serious pizzazz to the smallest of spaces – we think they would be amazing in a downstairs toilet, ensuite or even on a kitchen splashback.

With tones of cerulean, sage, and monochromatic black and white these patterned tiles with their uneven edges work tiled on walls or floors to create a truly authentic look in your home. As they say, Moorish is definitely more so don't be afraid to make a statement with the Cabrera collection.

Available in: Attia, Farissi, Kenzi, Mali, Torres.

Kansas City

Create a room filled with joy and wonderment with our latest polished porcelain offering, Kansas City.

Inspired by onyx marble this beautiful large format tile reads grey, green and even has hints of gold depending on the light it's in. Kansas City will create a timeless statement whichever room it graces and pairs beautifully with Kast and wood effect tiles too.

Available in: 1200x600.

When creating a modern bathroom we love to use three different finishes or formats to create a fashion forward look.

We think Kast, a khaki coloured concrete effect would bring a touch of warmth to a space when paired with a polished porcelain like Kansas City. The earthy green tone seen in Kast would pull together the green veining seen in Kansas City perfectly. We would complete the look with a wood effect floor or even with a small format feature wall.

Available in: 600x300 Khaki.

Kaleidoscope

If you love the look of a monochrome Victorian floor but want something a little more contemporary then look no further than Kaleidoscope.

Rome Breccia

Available in: 1200x600 Breccia.

The latest addition to our Rome collection does not disappoint, in fact some may argue it's the most striking addition yet.

Inspired by the Phoenix stone found in North Africa, Rome Breccia captures all the essence of a traditional Breccia stone with a warm toffee colourway with hints of red and darker brown. Go bold and tile all over your bathroom or create a feature in a shower or entrance way.

Rome

Rome goes beyond the usual expectations of marble effect porcelain tiles.

With ten extremely different yet striking marbles to choose from this collection is truly eye catching and will create a wow effect in any room in your home.

Invisible White (*left*) is inspired by a marble extracted from Asia Minor made exclusively of dolomite rock which has transformed over time. Statuario Venato is inspired by a traditional Italian marble which has a milky white complexion and a dark grey slim veining. San Pedro (*bottom right*) is a marble inspired by a stone named Silver Roots found in Asia Minor, its colour can vary from dove grey to a rich beige with dark yet thin brown veins. Onyx Blue (*top right*) takes inspiration from a mineral found naturally by the spring water lakes of Asia. This unique turquoise toned onyx will bring a sense of calm to any room it graces.

Rome Grey Roots (*left*) takes its inspiration from a natural marble found in Anatolia, this unusual marble is characterised by a bright silver almost grey background colour enriched with white, grey and chocolate veining to create a regal and opulent appearance!

Rome Onyx Pearl (*right*) is steeped in history with its origin dating back to Egyptian times where this limestone onyx was used in a fortress known as Alabastra. This vanilla limestone onyx will ensure you create a timeless yet luxurious space.

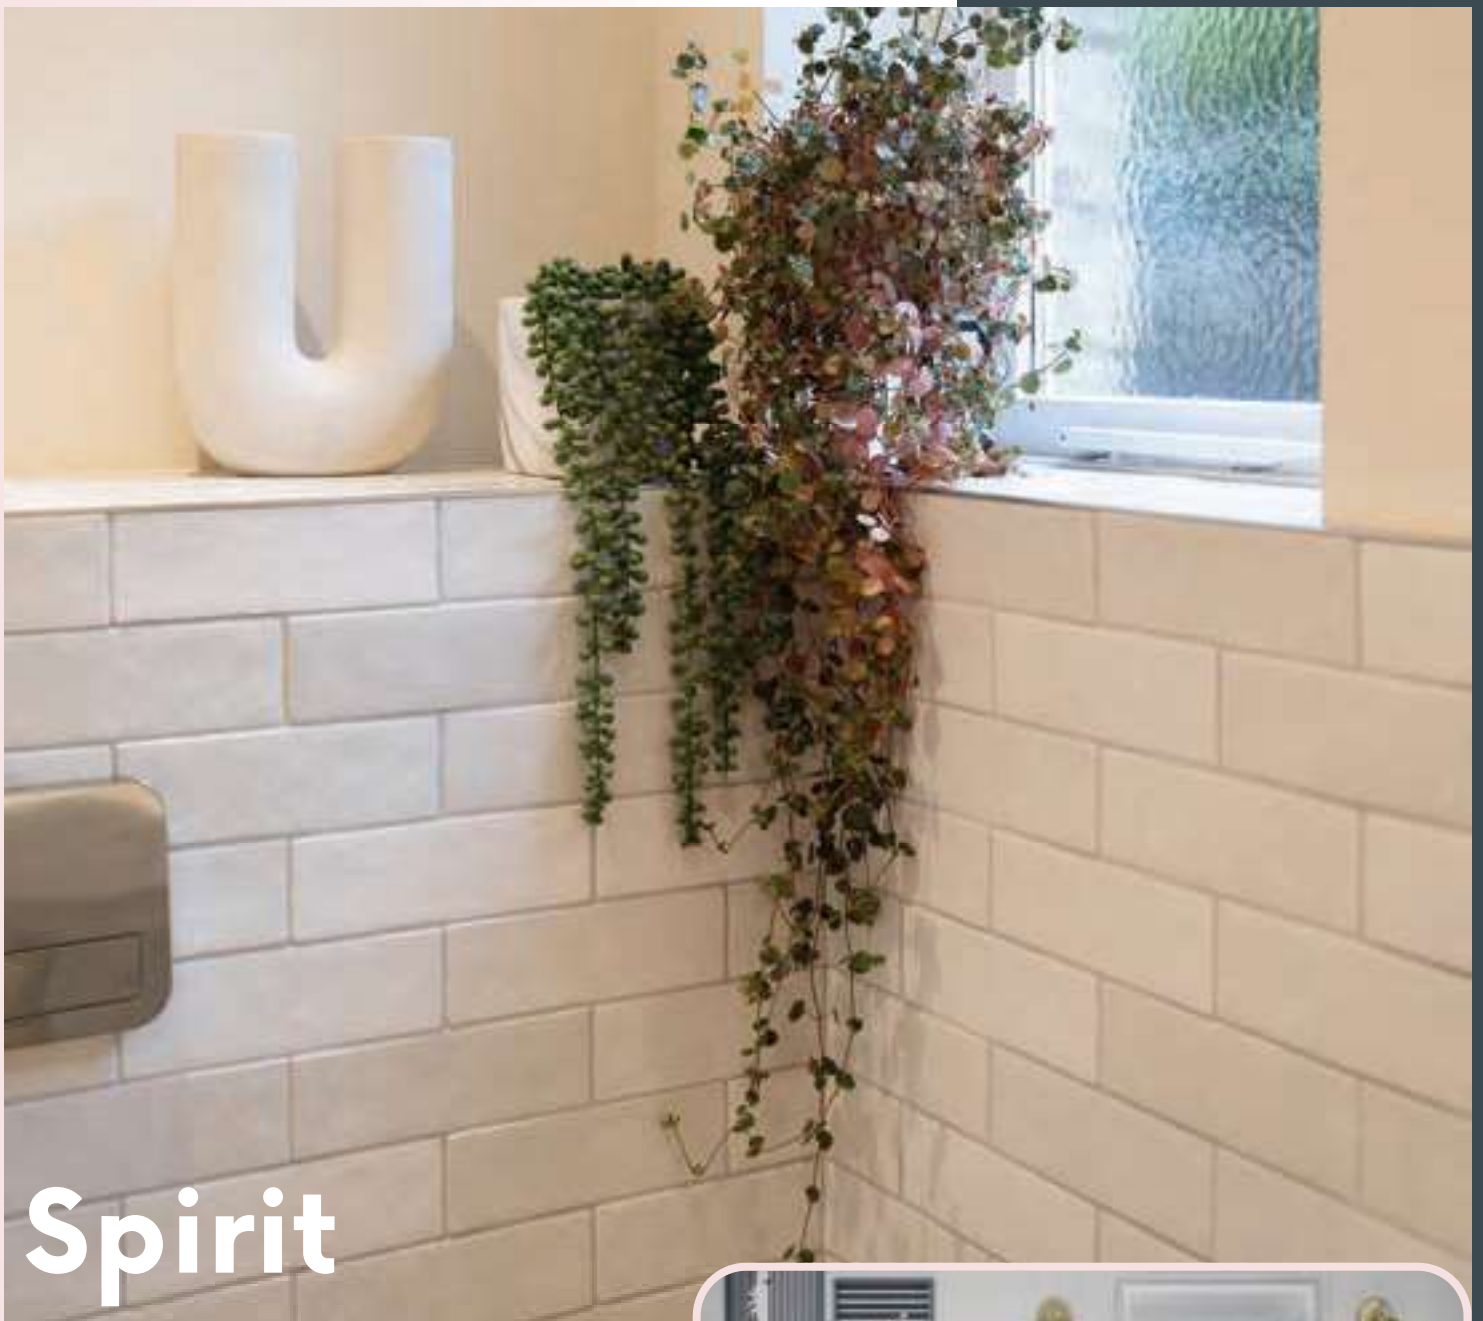

Roman

Inspired by the Italian Piasentina stone our new collection Roman brings all the grandeur, tactility and earthiness of the traditional and warm stone.

Available in two tonal colourways this porcelain collection is completed by the timeless yet contemporary Fluted décor, perfect for tiling in shower enclosures or on a feature wall to create a statement that'll never date.

Sandstone & Sherwood

When it comes to wood effect tiles, there's wood effect tiles and then there's wood effect tiles. Our new Sherwood Oak is certainly the latter, it's got that extra something something.

With all the hallmarks of traditional wood - beautiful knots check, earthy wood grain check and variation in tone check, Sherwood goes a step further with the introduction of concrete. Yes we're upping the ante when it comes to wood effect tiles.

One of the most common conversations we have with customers is regarding large open plan living spaces and whether to go for a cool concrete tile or a warm wood effect so we thought it was high time we stopped making you choose with Sherwood Oak. With over 30 design variations within the collection we know you'll love how Sherwood looks visually tiled across a larger area, as you can see some planks with concrete and some without, creating the most striking look that'll work in both a traditional and a contemporary home decor scheme.

Available in: 1500x240 Oak.

@ourneutralground*

With production once a fiercely guarded Italian secret, Terrazzo has had a serious revival since its birth over 500 years ago.

Our Terrazzo Albert porcelain tile range is one of the most authentic terrazzo replicas out there (we know our director Hannah's Italian ancestors would be proud of this one) with its smooth cement inspired surface complete with multicoloured chunky marble chips and a colouration that runs through the full body of the tile.

Suitable for wall and floors we know you'll love this collection as much as us.

Available in: 600x600 Ivory and White.

Additional tiles: 1200x600 Stratford AG RM, 300x75 Mass Blanco.

Terrazzo Cosmic

Terrazzo continues to be a firm favourite in interiors trends so for a twist on the traditional take a look at our Terrazzo Cosmic collection.

Available in two contrasting colourways this reformulated terrazzo has flecks of blue and yellow alongside black and grey tones (depending on your colourway of choice). With a large format size (900x900) this porcelain collection is ideal for all applications from living rooms, to kitchen dining areas and even in bathrooms.

Available in: 900x900 Light and Dark.

Terrazzo Margherita & Cloud

For a grounded, minimalistic and architectural look take a look at our Cloud collection.

With a muted colour palette these smooth porcelain tiles allow you to create a simple aesthetic perfect for pairing with feature tile like Terrazzo Margherita. Cloud has the additional benefit of antibacterial technology which eliminates 99.9% of bacteria 24 hours a day.

Available in: 600x300 Grey, Taupe and White.

With its name deriving from daisies Terrazzo Margherita has smaller chips than our original Albert collection which creates the most authentic looking Terrazzo out there.

Just like our Albert collection, Terrazzo Margherita has an anti-slip glaze (PTV +36 finish) and is a through body porcelain which means the colouration runs through the full body of the tile. Suitable for walls and floors we know you're going to love this tonal grey meets taupe colourway.

Available in: 600x600 Silver.

Tivoli

Taking inspiration from one of the most timeless marbles is our Tivoli collection, bringing all the elegance and sophistication of travertine to the practical and modern home.

With two earthy shades this realistic porcelain tile will look natural yet harmonious in any living space it graces from the bathroom to a kitchen floor.

Available in: 600x300 Beige and Ivory.

Terre Clay

Add a feeling of warmth and homeliness into your living space with our Terre Clay tiles.

Inspired by terracotta, these beautiful earth-toned porcelain tiles put a contemporary spin on traditional material with an elongated brick shape - ideal for tiling in a herringbone laying pattern. Tile confidently on the walls or floors as our Terre Clay tiles have a PTV+36 rating which means they have an antislip glaze, perfect for bathroom floors.

With a subtle natural finish these variegated porcelain tiles will ground your space convincing visitors and guests alike that you've had real terracotta installed. Tile in an entrance way, hallway, downstairs bathroom or even in a kitchen leading outside for a natural and modern spin on a once traditional look.

Available in: 370x92 Clay.

Texture Wood

With wood panelling a modern trend planted firmly in our design and interiors roster we couldn't resist adding Texture Wood to our tile collection.

Inspired by pleated oak walls these ceramic tiles add a contemporary and natural warmth to any living space or bathroom. Choose from Natural, an oak inspired colourway or the more mid-century Nut shade and combine with marble or concrete effect tiles to create a modern and streamlined space.

*Available in: 595x295 Natural and Nut.

BAL Flex One

BAL Flex One truly revolutionises the standard-set category with a long open and working time, excellent non-slip properties and may be grouted in as little as six hours.

With an extended pot life of 2 1/2 hours and working time of 45 minutes, BAL Flex One lets you set your own pace. BAL Flex One is particularly recommended exceeding for large format tiles, areas of total immersion, heated screeds and areas subject to movement and vibration.

BAL Flex One gives fixers the freedom to perform with a thixotropic and fluid formulation with shape memory, full wettability and super smooth gel rheology, plus use up to 15mm bed depth which aids building out in problematic isolated areas. Highly flexible and deformable, Flex One also has excellent grab and non-slump easily the requirements of EN 12004 for a "T" rated adhesive. White in colour makes it suitable even for light natural stone.

Everything you need and more

The BAL range has you covered

Providing a 25-year written product guarantee, specialist product and project support, and trusted technical advice, market-leaders BAL are best placed to provide you with tiling products and systems you can trust to ensure your tiling lasts the test of time.

BAL Micromax3eco

Anti-microbial wall and floor grout

Finish off your tiling project with BAL Micromax3 – a high performance, anti-microbial wall and floor grout available in 19 colours to suit any design.

Providing a smooth and abrasion-resistant finish, BAL Micromax3 is formulated with Microban anti-microbial technology to prevent the build-up of black mould and mildew.

Rapid-setting in only 2-3 hours, BAL Micromax3 is highly flexible and highly durable, making it suitable for power showers, wet rooms and heated floors.

What's more, the range comes with colour-matched Micromax Sealants, providing the perfect finish for your tiling project, every time!

BAL Rapid-Flex One

Fast-setting flexible cementitious wall and floor tile adhesive

Time is often of the essence in any project, which is where BAL have the solutions. BAL Rapid-Flex One is a high performing, rapid-setting adhesive that is ready to grout in only 3 hours.

Unlike most other rapid-setting products, BAL Rapid-Flex One has an extended pot life of 60 minutes (time in the bucket) and an extended open time of 30 minutes (time where an effective bond can be achieved between tile and substrate).

This helps to reduce product wastage and provides fixers with more time to apply the adhesive to much larger areas before fixing tiles, as well as more time for tile adjustments. All in all, this reduces installation times and provides ease of use for improved results.

BAL Rapid-Flex One is enhanced with BAL Fibre Strand Technology (FST) for improved flexibility and strength, meaning it can be used even with large format tiles and over backgrounds that may have limited movement such as Under Floor Heating.

BAL Level Max

The maximum performance, all-in-one floor leveller with Fibre Strand Technology (FST).

BAL Level Max has a maximum bed depth up to 80mm in a single application – the largest in the market. It is suitable for use over timber at 3mm, accepts foot traffic in three hours and can be tiled after only four hours at any depth saving significant project time and reducing costs. BAL Level Max harnesses ground breaking Fibre Strand Technology to provide end-users with an all-in-one levelling product that won't hit them in the pocket. For use up to 80mm in a single application and 3mm over timber, Level Max cannot be rivalled for performance. Available in 25kg packs it is perfect prior to the installation of tiles or floor coverings even on key installations such as under tile heating.
